Are you interested in cars?

Do you want a course that focuses on practical, real world skills? Then our automotive programme could be right for you. Gaining practical skills and knowledge whilst applying them to gain National Certificates is the key to our programme's success. Students who struggled at school find that learning comes quite naturally in the workshop, and by the end of this course graduates will have gained 3 National Certificates plus a Vocational Pathway Award.

Rebuilding a Skyline drift car, then driving it, converting an A4 station wagon into a ute...they are just a couple of the projects our learners have worked upon. If you want to take a step towards a career that interests you, then you can enrol and start on this course TODAY!

QUALIFICATIONS GAINED:

- New Zealand Certificate in Foundation Skills (Level 2) - Automotive
- National Certificate of Education Achievement (NCEA) (Level 2 and Level 1)
- Vocational Pathway Award – Manufacturing and Technology

ENTRY CRITERIA:

16 to 24 Years old, or 15 years old with a Ministry of Education early leaving exemption, NZ citizen or Permanent Resident currently living in New Zealand. All students will be interviewed prior to enrolment.

FURTHER EDUCATION PATHWAYS AND CAREER OPTIONS:

Graduates pursuing higher education can move onto the Certificate in Automotive Engineering (Level 3). Or graduates can also choose to go into work in entry level roles as an Automotive Electrician, Automotive Technician, Tyre Technician or many of the other roles within an automotive workshop. With further study and/or experience you could choose to become a Diesel Mechanic, Formula 1 Mechanic or any other role related to cars and engines

PRICE: ZERO fees

DURATION: 40 weeks plus holidays, full-time

LOCATION FOR STUDY: Kaitaia, Ngawha, Whangārei

START DATE: Any week day
