TODAY

Join a growing industry where there is a shortage of apprentices and skilled workers. Building and Construction companies in New Zealand are booming and there has never been a better time to gain nationally recognised qualifications.

With Regent Training Centre you will spend most of your time in the workshop or out on external building sites whilst completing your national qualifications. Your literacy and numeracy skills will continuously be improving, and NCEA will be gained while you work on various building projects and increasing your practical skill set. After graduating we can also help the right applicants to gain an apprenticeship

QUALIFICATIONS GAINED:

- New Zealand Certificate in Building, Construction and Allied Trades (Level 1)
- New Zealand Certificate in Building, Construction and Allied Trades (Level 2)
- National Certificate of Education Achievement (NCEA) (Level 1 and Level 2)
- Vocational Pathway Award - Construction & Infrastructure (Level 2)

ENTRY CRITERIA:

16 to 24 Years old, or 15 years old with a Ministry of Education early leaving exemption, NZ citizen or Permanent Resident currently living in New Zealand. All students will be interviewed prior to enrolment.

FURTHER EDUCATION PATHWAYS AND CAREER OPTIONS:

Graduates pursuing higher education, can move onto the New Zealand Certificate in Construction Trades Skills Level 3). Career options after gaining the qualifications can include labouring on building and/or construction sites, entry level carpentry, joinery, fencing and roofing positions. With further training and/or experience graduates can also consider moving on into roles such as Site Foreman, Building and Construction Manager, Building Inspector, Road and Infrastructure Management and more.

PRICE: ZERO fees

DURATION: 40 weeks plus holidays, full-time

LOCATION FOR STUDY: Whangārei, Ngawha

START DATE: Any week day
